#### Notes:

Freshman Pre-Diploma English and Pre-Diploma History are scheduled as a “block.” The two classes frequently work on parallel topics and sometimes meet together. An example is the annual Freshmen Nuremberg Trial Reenactment.

\*While most students select some Zero Hour offerings during their years at DMHS, it is not common for students to schedule classes during most or all Zero Hours. Students who participate in early morning, Service Learning or Music programs are an exception. One class, Jazz Ensemble is also offered at the end of the school day, during 8<sup>th</sup> Hour. SUSD school bus service to Zero Hour is not offered.
