

## DMHS IB Math Course Progression

### Notes:

- Students wishing to enroll in Geometry/Trig Honors must take the Algebra-Into-Honors Exam during their 8<sup>th</sup> grade year.
- Students taking IB Math Studies SL or IB Math SL during their Junior year may wish to take a 4<sup>th</sup> math class in order to enhance their math preparation.
- Students taking IB Math Studies SL or IB Math SL are required to choose an HL Science course (Biology or Chemistry).
- Seniors who successfully complete IB Math HL will also be prepared for the AP Calculus BC Exam.
