Outside of the classroom students must complete:

- 4000 word **Extended Essay**
  - 150 total hours of **Creativity, Action and Service** (or 75 hours each during Junior and Senior Year)
- Zero and/or 8th hour may be used to fit in more course choices (i.e., Econ/Gov, Jazz band or Service Learning).

Some students take Econ/Gov during Sophomore year, opening space for an additional Junior or Senior Elective.
