Re: 2009-10 International Baccalaureate Fees

Dear Parent/Guardian:

October is registration month for the 2010 International Baccalaureate Examinations. The International Baccalaureate program is a non-profit corporation. However, it still requires fees associated with this process enabling your son or daughter the opportunity to participate in a world-class curriculum that is internationally known. While the district has assumed the vast majority of the costs associated with the IB program, such as teacher training, the IB annual subscription and textbooks, the remaining registration and examination fees are the responsibility of the parents.

All seniors will pay only for the exam fees. Only juniors pay the registration fee along with the exam fees, and then they do not pay the registration fee senior year. Fees are not refundable, subjects cannot be substituted, and any changes, additions or deletions will result in a \$60.00 each penalty fee assessed by the International Baccalaureate Organization. Candidates must consider their obligations and commitment to the successful completion of their chosen courses of study.

We have listed the current 2009-10 program fees. Because students have different schedules, the individual student fees may vary. We have also included your student's transcript and have highlighted the courses that will require a May 2010 examination fee. According to our records, the 2009-10 fees will include:

A. Registration Fees:

Juniors- \$140.00

B. Examination Fees per Candidate (Juniors and Seniors)

Per Standard Level or Higher Level Subject Examination- \$95.00 each

Payment must be received before the registration is processed. The fees are due at the DMHS bookstore by Tuesday, October 6, 2009. You may pay by check or money order made out to Desert Mountain High School. Please indicate "IB fees" in the memo section of your check, along with your student's DMHS student I.D. number. Students not meeting this deadline will not be registered for the exams. Families unable to make this financial commitment should see either Laura Kamka, site coordinator, or Sandy Lundberg, IB administrator. To help make sense of your financial obligation, a few possible scenarios can be found on the next page.

For further information, please contact either Laura Kamka at 484-7062 or Sandy Lundberg at 484-7018.

Sincerely,

Laura Kamka
